

Dear Parents,

[Elementary School] and the Tulsa Health Department will be evaluating the Action Based Learning Lab (ABLL) that your child participates in. This evaluation will measure the effectiveness of the lab on standardized test scores of 1st, 2nd, and 3<sup>rd</sup> grade students.

Test scores will be collected for all students at the end of each semester and shared with the Tulsa Health Department as part of the ABLL assessment. This data will be coded so that your child's name, classroom and teacher will not be identified. If you wish for your child to take part in this study, please sign and return this form to [Elementary]. If you have questions you can contact Charley Daniel at [cdaniel@tulsa-health.org](mailto:cdaniel@tulsa-health.org).

Thank you,

Charley Daniel
