

IAK Health Services Referral Process

For any Health Services provided to a student and their family by It's All About Kids (IAK) a Health Services Referral Form must be completed by your school's counselor, nurse/health assistant, or community coordinator/parent facilitator.

A referral is required for the following services:

- SoonerCare Renewal/Enrollment Application Assistance
- Transportation Assistance for Medical Appointments
- Prescription Medication Pickup Assistance
- Eyeglasses Repairs Assistance
- Health or Social Resource Needs

Visit IAK's website at www.tulsaplay.org and go to the Forms page to find our Health Services Referral Form and Parental Consent Form.

- 1) Complete the referral form with as much information as is available. The referral form must be signed, electronically, by the school staff member making the referral.
- 2) Submit the referral form to our School Health Supervisor, Bridget Parra, at bparra@tulsa-health.org.
- 3) All services require a Parental Consent Form to be signed as well. The consent form can be found on our website www.tulsaplay.org by going to the Forms page. Please attempt to get the consent form signed by the parent by sending it home with the student or having them sign while at school.
- 4) Once the School Health Supervisor has received and reviewed the referral form the person making the referral will receive follow up information email regarding the referral.
