

LET'S "P.L.A.Y." MORE! SIT LESS! HAVE FUN!

Physical & Lifelong Activity for Youth

Thursday, August 5, 2021 8:30 a.m. – 3:00 p.m. CT

This one-day Virtual Workshop is FREE to all local PE Teachers, health care agencies, and any other groups working in the area of increasing physical activity in children.

The first 200 Oklahoma participants to register and attend will receive a special K-8 PE Resource developed by the presenters.

Jarrod Robinson: Jarrod is the creator of The PE Geek and is well-known around the world as a leading authority on emerging technology within the K-12 physical education arena. Jarrod is a physical Education teacher from Victoria, Australia. He has presented nationally and internationally for over 8 years, running workshops in over 30 countries. Jarrod is also the founder of the ConnectedPE Conference and ConnectedPE Community, which is working to change the way that professional development is delivered.

Joey Feith: Joey is the creator of ThePhysicalEducator and is well-known around the world as a leading authority on innovative instructional resources within the K-12 physical education arena. He currently teaches elementary physical education at St. George's School of Montreal in Quebec, Canada. Joey has presented his ideas at the local, provincial, national, and international levels through various speaking and training events. He is a recipient of Physical and Health Education Canada's Dr. Andy Anderson Young Professional Award for the province of Quebec.

Nathan Horne: Nathan Horne is the creator of iPHYS-ED and is well-known around the world as a leading authority on purposeful quality physical education within the K-12 physical education arena. He is currently based in British Columbia, Canada where he is a PHE Department Head and a PYP & MYP Physical & Health Education teacher. Nathan has previous teaching experience in national and international schools in Australia, the UK, Cambodia, Italy, and Singapore and advocates strongly for quality purposeful physical education for each and every student.

Ben Landers: Ben Landers is the creator of The PE Specialist and is well-known around the world as a leading authority on classroom management and learning strategies within the K-12 physical education arena. Ben is a K-12 certified Physical Education teacher and has been teaching K-5th PE since 2007. He has completed the National Board Certification in PE and also has a Master's in Education from Southern Wesleyan University and a Masters in Educational Leadership from the University of South Carolina.

Artie Kamiya: Artie Kamiya has been called one of the "nation's leading experts for K-12 health and physical education." He has authored, co-authored or edited over 25 publications, including the best-selling Elementary Teacher's Handbook of Indoor and Outdoor Games and the soon-to-be-published Elementary PE Teacher's Almanac: Month-By-Month Ideas for Planning the Best Year Ever!
