

## **School Challenges**

### **What is the School Challenge?**

The School Challenge is an opportunity for elementary classroom and PE teachers in Tulsa County and surrounding areas to showcase incorporating movement in the classroom or incorporating core curriculum in the gym class. The winner of each challenge will be awarded a prize pack valued at \$250.00 with kinesthetic equipment/materials.

### **How does my school participate?**

Go to [www.tulsaplay.org](http://www.tulsaplay.org) to find information about the program and the challenge dates.

### **How is the winner chosen?**

This is YOUR TIME to brag about what you do on a daily basis! Using our online School Challenge Survey at [www.tulsaplay.org](http://www.tulsaplay.org) , you will highlight your students achievements based on the challenge your students participated in. Let us know how you assessed your students and explain in detail how your classes achieved their goal for the challenge. BE CREATIVE!

A winner will be chosen for each challenge based on the 4 criteria areas listed below in the School Challenge Rubric. The School Challenge Survey must be completed and submitted by the designated challenge end date. NO late entries will be accepted.
